

POETRY.  
TEMPERANCE SONG.  
The Temperance Sons are coming,  
The Temperance Sons are coming,  
The Temperance Sons are coming,  
With their cold water pledge.

Chorus:  
We are a band of freemen,  
We are a band of freemen,  
We are a band of freemen,  
And we'll sound it through the land.  
We are a band of freemen,  
And we'll all the land awaken,  
Stand firmly and unshaken,  
To the cold water pledge.

We are a band of freemen, &c.  
We will save your Sisters, Mothers,  
Your Fathers, Sons, and Brothers,  
Your neighbors, and all others,  
By the cold water pledge.

We are a band of freemen, &c.  
Come all ye drunken bruisers,  
And ye moderate dram excusers,  
Come wine and bitter users,  
Take the cold water pledge.

We are a band of freemen, &c.  
Come all ye jolly fillers,  
Priests, Doctors, Lawyers, Stillers,  
Come jug and bottle fillers,  
Take the cold water pledge.

We are a band of freemen, &c.  
Come all ye every nation,  
Ye men of every station,  
Throughout this wide creation,  
Take the cold water pledge.

We are a band of freemen, &c.  
May no evil ne'er betide us,  
To sever or divide us,  
But the God of mercy guide us,  
With the cold water pledge.

We are a band of freemen,  
We are a band of freemen,  
We are a band of freemen,  
And we'll sound it through the land.

#### ORIGINALITY.

If we study great men, we shall find they were not so much distinguished by originality as by range or extent of thought. If we require of them the absolute originality which consists in weaving, like the spider, their web from their own bowels, we shall not succeed in obtaining it. No great man was original. Least of all does originality consist in unlikeness to other men. A great man is a centre of things—seeing the wants of other men, and sharing their desires—adds also strength of arm to come at their point. The greatest genius is the most indebted man—the greatest poet is a man who does wake up and say, "I will square the circle, ransack botany, and discover another food for man; I have a new architecture in my mind; I foresee a new organic power." Nor is he forced on by genius of his contemporaries. He stands where all the eyes of men look, and their hands all point the direction in which he should go. He finds the materials ready to his hands; they have sunk the hills and bridged the rivers for his road. Men, poets, women, have all worked for him, and he has entered into their labors. Great general power, we might almost say consists in not being original at all, but the greatest extent receptive.—Emerson.

Let a woman be decked with all the embellishments of art and nature—yet if boldness is to be read in her face, it blots out all the lines of beauty.

"THE CAP OF LIBERTY" is the name bestowed by Mrs. Trollope, on a widow's Cap! Not a bad idea.

"Is Mr. Brown a man of means?" asked a gentleman of old Mrs. Frizzleton, referring to one of her neighbors. "Wall, I reckon he ought to be," drawled out the ancient beldame, "for he's the meanest man in town."

FRIEND HAMMOND—I will have to stop your paper.  
Why so, Mr. Brown?  
Because my eye-sight is so bad that I can scarcely read.

Why do you not use spectacles?  
I have not been able to find any to suit.  
Have you been down at COOKE'S Shop to see if he could not suit you?  
No, I have not.

Go down—he has got all kinds.  
Well, I will.

THOSE WHO WANT TO ENJOY the eating of a good bowl of Mush and Milk, or good Soup, (say oyster soup for instance,) or those who wish to drink a good cup of tea, should always have a genuine Silver Spoon to do it with. #### RHEUMATISM CAN BE CURED BY THE PROPER USE OF MYERS' EMBROCATION!

THIS sovereign and effectual remedy, for that painful disease, was discovered upwards of sixty years ago by the Grand-Father of the undersigned, (a German Physician of his day) and has never been made known out of his family.  
Its incredible cures have astonished thousands who have witnessed its power over that disease. Unfortunately, despairing invalids, who have been bed-ridden for years, have been restored to the enjoyment of perfect health. It banishes all pain in a few days, and its efficacy is gladly realized by the patients being able to resume their usual avocations, after having suffered in torments for months and years. The wonderful success of the EMBROCATION, in curing the worst cases of Rheumatism, has acquired for it a celebrity unprecedented, and its fame originated from its own merits.—It never has failed to cure Rheumatism, either inflammatory or chronic; and I feel safe in saying it never will if fairly tried. I pledge myself to refund the cash to any person who uses it properly without being benefited thereby. You who are afflicted may have tried every other remedy by this time. Try it, and if it does not cure, it will not cost you anything. By this rule I desire it should be used.  
Persons are warned to be on their guard of whom they purchase, as several mean attempts have been made to procure the RECIPE from which this medicine is prepared. The proprietor deems it his duty to say to the afflicted, that he will furnish travelling agents with written authority for depositing it.

My name is on each bottle, and none genuine unless prepared by HENRY C. MYERS, Fayette, Missouri.  
EVIDENCE OF ITS EFFICACY.  
Read what those say of the hundreds who have testified can only be quoted here.  
From Elders THOS. M. ALLAN and M. P. WILLS.  
BOONE COUNTY, Mo., August 21, 1848.  
This is to certify, that we have used "Myers' Embrocation" in our families with entire success, and we hereby take great pleasure in recommending to any who may be afflicted with Rheumatism as a most sovereign remedy.  
T. M. ALLEN.  
M. P. WILLS.

SPRINGFIELD, Ill., February 20, 1848.  
This is to certify that I was cured of a severe attack of Inflammatory Rheumatism, from the use of one bottle of your Embrocation, and hope every fellow-sufferer will use it, for their is no doubt but it will cure any case, however violent; this I can safely assert after using it myself.  
Yours, respectfully,  
DELOSSE BROWN.  
HENRY C. MYERS, Fayette, Mo.  
HAMPTON L. BOON, Clerk of the Supreme Court of Missouri, and Editor of the Jefferson City Metropolitan, speaks of the Embrocation as follows, in his paper:  
We desire to call the particular attention of all persons afflicted with Rheumatism to this very valuable medicine. One bottle we believe, will cure any case, however violent.  
The senior editor of this paper, during the last winter and present spring, suffered so much from Rheumatism that he was unable at times to walk or stand upon his feet, or even change his position in bed without assistance.—A part of a bottle cured him in a few days. His son was also afflicted with the same dreadful complaint, and suffered the most excruciating pain until an application of the Embrocation was made, which effected an entire cure.—Col. Minor of this city, also had a severe attack of Rheumatism this spring from which he suffered severely, and was confined to his bed for several weeks. Nothing gave him any relief until he sent to Rochester, forty miles, and procured a bottle of this medicine, which expelled his pains almost instantly.  
Mr. Myers ought to have an agent in every county in the State, with which this medicine should be deposited for sale. We repeat our honest conviction, for the benefit of those suffering with Rheumatism, that one bottle of this medicine will cure the most violent case that can be found.—Metropolitan.

BETHANY Mo., March 10, 1848.  
Dear Sir:—At your request I called at Rochester on my return home, and got a bottle of your Embrocation; and gave it to a neighbor whose wife had been much afflicted with Rheumatism of the Chronic form for years. The effect is so self-evident, that if you see proper, you can send me 50 bottles, as I can dispose of it now that it has been tried here.  
Yours, Respectfully,  
W. L. WATKINS.

Dr. Wistar's Balsam of Wild Cherry.  
The Great Remedy for Coughs, Colds, Asthma, and all Diseases of the Lungs.  
OLD VIRGINIA AGAIN.  
Albermarle Co. Va., March 21st, 1847.  
Mr. Seth W. Fowle—Dear Sir:—I take pleasure in stating to you my experience in the use of Wistar's Balsam of Wild Cherry. I own a very valuable negro girl, who was attacked with a difficulty of the lungs, which brought her in appearance to the brink of the grave. I consulted some of our best Physicians, who pronounced her incurable, or that they could do no more for her. I tried many remedies but none did her any good. I saw some account of Wistar's Balsam, and thought I would try it, but had little faith in it.—I procured a bottle, which was administered according to directions, and saw she began to mend; and before the first bottle was gone she was up. I procured a second and she took that, and now she is I think, cured, or nearly so. She attends to her daily labor, and I hear no complaint from her.  
R. L. JEFFERSON.

Consumptive Patients.—Will please read the following note from the Harrison Gazette.—The incredulous are invited to read the following note from Rev. Mr. Coldron, whose character for truth and veracity is above suspicion, and have their doubts dispelled as to the superiority of Wistar's Balsam of Wild Cherry, over all other remedies now before the public of the same character.  
Coldron, Ind., Jan. 28, 1848.  
It is no less a duty than a pleasure to state, for the benefit of the afflicted, that I consider Wistar's Balsam of Wild Cherry, a great blessing to the human race. Having tried it in a case of severe affection of the lungs, I unhesitatingly recommend it to those similarly afflicted, as the best remedy I have ever tried, and one which cured me when physicians said I must die, and when I thought myself that my time to depart was near at hand.  
WM. COLDRON.

CAUTION TO ALL.—The genuine Wistar's Balsam is enveloped in a fine white silk engraved wrapper, with the names of Henry Wistar, M. D., and Sanford & Park thereon. Without both these signatures, it is positively counterfeit. Do not touch it.  
Orders for the true medicine may be addressed to H. BLAKESLEY & Co., south-west corner Third and Chestnut streets, St. Louis. It is sold also by  
DR. SNELSON, Fayette,  
N. & A. JOHNSON, Brunswick,

October 28, 1848.  
It always cures.—Dr. Osgood's Indian Choke.—How astonishing is it—the suffering invalid will use palliative only, with a view to restoration of health, while lingering out weeks and even months, with that distressing, loathsome disease, Fever and Ague, when by the use of a single bottle of the Chokegogue, not only the disease itself, but the cause which produced it, is completely eradicated. It is sold by  
Dr. Henderson, Glasgow; N. & A. Johnson, Oct. 28.

Clemens' Indian Tonic.  
Infallible Cure for CHILLS, or AGUE and FEVER, and a sure remedy in BILIOUS REMITTENT, and other FEVERS.  
THIS INVALUABLE MEDICINE IS PURELY VEGETABLE.  
THE unexampled success of this truly unrivalled Tonic, in curing in a few hours, where all other remedies have failed, and that too, in cases from six months to ten years standing—warrants the assertion, that if taking according to directions, it is infallible. A long list of certificates in proof of its infallibility might be added, but those upon the wrapper are deemed sufficient. Try it and be convinced that it is the most pleasant, most certain, and the very BEST remedy ever offered to the public for putting a speedy termination to the Chills or Ague and Fever.  
From the great popularity of this medicine, many imitations, professing to be CLEMENS' INDIAN TONIC, are about. Therefore, be sure to call that prepared by GEO. W. HOUSE, Nashville, Tennessee, who is sole proprietor.  
CERTIFICATES.  
Near Nashville, August 18, 1848.  
Mr. Geo. W. House: Dear Sir—I had Chills and Fever for twelve months; nine months of the time, without being able to check it, with all the aid I could procure from Physicians and the various Tonic Fever and Ague mixtures sold by the Drug stores. In April last I saw your advertisement of Clemens' Indian Tonic, as an infallible cure. I made no delay in calling upon you, and by using said Tonic, I found immediate relief, and a permanent cure. A friend of mine tried it about the same time, with the same happy result. Yours, respectfully,  
C. L. GLASSGOW.  
From the Clarksville Chronicle, Oct. 21, 1848.  
Dr. T. D. Scott: Dear Sir—We have used Clemens' Indian Tonic in many cases of Ague and Fever, and we are able to check it, in every particular, what it is commended to be in your advertisement. We have heretofore used most of the popular remedies in use for Fever and Ague, and we unhesitatingly recommend Clemens' Tonic to the confidence of the public, from our personal experience and observation, as a safe, certain, and prompt cure for the Ague and Fever, in any form or stage of the disease.  
Yours, &c.

LEVI COLEMAN.  
Extract of a letter from the Rev. F. A. OWEN of Memphis, dated Nov. 16, 1848.  
My Dear Sir—I have tried Clemens' Indian Tonic in six different cases, and find it efficacious in a very high degree. It arrested the chill in every instance, and as yet there has been no return. I cheerfully give this testimony, that others may be induced to use a remedy both safe and efficacious in curing chills and fever.  
Yours, very truly,  
F. A. OWEN.  
Nashville, June 3rd, 1844.  
Mr. Geo. W. House: Dear Sir—I shall make no apology in presenting the following remarkable case: A youth of about fifteen years old, living with me, had the Fever and Ague for ten years, without finding a cure; and I can assure you every means were used to that effect. In December last I tried a bottle of "CLEMENS' INDIAN TONIC," which arrested the disease at once, and am happy to state, he has not had a chill or an ague since. You should lose no time in giving this Tonic an extensive circulation—it will prove a welcome friend and a great blessing to the afflicted.  
Yours, truly,  
JOHN H. DAVIS.  
The above case is known to me, and is strictly true.

Clemens' Indian Tonic.  
Infallible Cure for CHILLS, or AGUE and FEVER, and a sure remedy in BILIOUS REMITTENT, and other FEVERS.  
THIS INVALUABLE MEDICINE IS PURELY VEGETABLE.  
THE unexampled success of this truly unrivalled Tonic, in curing in a few hours, where all other remedies have failed, and that too, in cases from six months to ten years standing—warrants the assertion, that if taking according to directions, it is infallible. A long list of certificates in proof of its infallibility might be added, but those upon the wrapper are deemed sufficient. Try it and be convinced that it is the most pleasant, most certain, and the very BEST remedy ever offered to the public for putting a speedy termination to the Chills or Ague and Fever.  
From the great popularity of this medicine, many imitations, professing to be CLEMENS' INDIAN TONIC, are about. Therefore, be sure to call that prepared by GEO. W. HOUSE, Nashville, Tennessee, who is sole proprietor.

Mr. Geo. W. House: Dear Sir—I had Chills and Fever for twelve months; nine months of the time, without being able to check it, with all the aid I could procure from Physicians and the various Tonic Fever and Ague mixtures sold by the Drug stores. In April last I saw your advertisement of Clemens' Indian Tonic, as an infallible cure. I made no delay in calling upon you, and by using said Tonic, I found immediate relief, and a permanent cure. A friend of mine tried it about the same time, with the same happy result. Yours, respectfully,  
C. L. GLASSGOW.  
From the Clarksville Chronicle, Oct. 21, 1848.  
Dr. T. D. Scott: Dear Sir—We have used Clemens' Indian Tonic in many cases of Ague and Fever, and we are able to check it, in every particular, what it is commended to be in your advertisement. We have heretofore used most of the popular remedies in use for Fever and Ague, and we unhesitatingly recommend Clemens' Tonic to the confidence of the public, from our personal experience and observation, as a safe, certain, and prompt cure for the Ague and Fever, in any form or stage of the disease.  
Yours, &c.

Extract of a letter from the Rev. F. A. OWEN of Memphis, dated Nov. 16, 1848.  
My Dear Sir—I have tried Clemens' Indian Tonic in six different cases, and find it efficacious in a very high degree. It arrested the chill in every instance, and as yet there has been no return. I cheerfully give this testimony, that others may be induced to use a remedy both safe and efficacious in curing chills and fever.  
Yours, very truly,  
F. A. OWEN.

Mr. Geo. W. House: Dear Sir—I shall make no apology in presenting the following remarkable case: A youth of about fifteen years old, living with me, had the Fever and Ague for ten years, without finding a cure; and I can assure you every means were used to that effect. In December last I tried a bottle of "CLEMENS' INDIAN TONIC," which arrested the disease at once, and am happy to state, he has not had a chill or an ague since. You should lose no time in giving this Tonic an extensive circulation—it will prove a welcome friend and a great blessing to the afflicted.  
Yours, truly,  
JOHN H. DAVIS.  
The above case is known to me, and is strictly true.
